**PUT YOUR ARCs AND GALLEYS
IN FRONT OF HUNDREDS OF
LIBRARY BUYERS**

LIBRARYJOURNAL has launched a great new service to help you get your ARCs and galleys to public libraries. For the second time this year, we will send a box of publisher's forthcoming titles to a special *LJ* list comprised of the 300 most influential library buyers.

This is a smart and cost-effective way to ensure that your titles are getting into the hands of a large pool of librarians who make purchasing decisions.

Sign-up now to book your spot in the September mailing of SPRING 2009 titles.
